# *Kelvins* Personal Guarantee

*At Kelvin Hall Floral Design we pride ourselves on our workmanship. We offer you our four-way guarantee: of quality, service, value and attention to detail.*

*If there is specific flowers or colours that are of significance to you or your loved ones, we will be more than happy to work with you/them when available.*

*Due to seasonal constraints, sometimes certain flowers may not be available and would be substituted with flowers of a similar style.*
